* 2017 EDITION * 2017 EDITION * 2017 EDITION * 2017 EDITION *

The Foundation invites our Donor Advised Funds and interested members to co-invest in the communities of Homestead, Florida City and Key Largo. This year our Community Grants Program fully funded more than 40 projects (see complete list of off The Reef grants on the reverse), but was only able to partially fund many other requests. The Grants Committee has vetted and awarded matching and partial grants to the following nonprofits and invites you to co-invest with us in the projects listed here.
