

All Charities, All Year

What started as a weekend event has evolved into a year-round extravaganza. Once the "party" ends, it is time for Members to get the chance to enjoy the fabulous dinners, wonderful excursions and even, a photo shoot for the family pet.

Inaugural Pet of the Year Crowned Ina Broeman bid on and won the first-time offering, "Your Dog or Cat Crowned Pet of the Year." for her cherished family golden retriever "Rollie."

Rollie was born on April 1, 2007 in the hills of Kentucky, where he was adopted by the late **Dwight Broeman**. Rollie now summers in Cincinnati and winters at Ocean Reef. His favorite spot at The Reef became the bench outside the Ocean Room waiting for his Dad to finish breakfast. You can still often find Rollie on the bench with his new buddy Binx waiting for Dwight's son Chuck to finish breakfast!

Bagel Bash

Stacy Schmetterer bakes to support charities on and off the Reef! **Bill Legg**, winning bidder of "An Abundance of New York Style Bagels" in this season's All Charities auction, invited his six

grandchildren to join him for an end of season bagel bash. Their favorite? Everything and Chocolate Chip! The bagels sold for over \$1500, 14 percent higher than in the 2016 auction.

Remember to Clean Out Your Cellar

As you prepare to leave the Reef for the summer, do you find yourself debating what to take with you? Are you concerned about leaving behind a few good wines? Debating whether to ship bottles north or leave them here and risk heat exposure?

Then consider donating your collection (or any parts thereof) to All Charities for a win/win/win.

You save on shipping and handling plus get the write-off and finally know that it will benefit the Feb. 9-10, 2018, All Charities Weekend and be enjoyed (other liquor donations welcome as well!)

Never been involved with All Charities before? This could be a great way to start – cheers! Questions? Contact the All Charities office at 305-367-5996 or AllCharities@oceanreef.com.

Bill Legg, his three daughters and their families enjoyed a "Bagel Bash" donated by Stacy and Bob Schmetterer.
