

Distribution of 2009 Community Auction Proceeds

By Yuri Mikolay

Ocean Reef Foundation Administrator

The Ocean Reef Foundation has released a report detailing how the funds raised at February's "One Community, One Auction" Day will be distributed to support charitable causes at Ocean Reef and in the surrounding communities.

The Auction Day events raised a record-setting amount for local charities for the second year in a row, and will result in another year of record-breaking grants made to deserving charities.
